Sir:

Amendments

In response to the Office Action dated 10/11/2006, a new set of claims 1–20 is presented on the following pages, adding the proper status identifiers as set forth in Sections. 4 C & F of the recent Office Action. Counsel apologizes for these mistakes. It is assumed the Examiner will take this application up for further action as soon as his Docket permits, in view of the long pendency of this application.
